

ACCESSIBLE PICNIC TABLE

Product Code: SFD293

PRODUCT DESCRIPTION

The Accessible six seater picnic bench is manufactured from sturdy pine with a 60mm thick top. The distinctive slatted top features a 50mm parasol hole and is very easy to assemble.

The eye-catching triangular shape of the top and placement of the benches allows additional seats to be added to increase seating capacity to nine and offers wheelchair friendly access.

Rot resistant and pressure treated the Accessible picnic bench is durable and sturdy.

Easy to assemble.
